

## **Shine on**

Koor:

Shine on, shine on  
We are called to shine together.  
Reflect the light,  
Beaming from his loving heart.  
His light is within us,  
His power so strong.  
Shine on, shine on.  
We're shining for ever.

Solo:

The light he's given  
Through His Spirit here among us,  
It's gonna shine  
Through the darkness,  
Through the night.

Solo:

The truth he's shown us  
When He came and walked among us.  
It's gonna shine  
Like a lighthouse  
through the fog.

An early Sunday morn,  
Just as the new day's dawning.  
The stone is rolled away.  
Darkness defeated, victory's won.

Koor:

Shine on, shine on  
We are called to shine together.  
Reflect the light,  
Beaming from his loving heart.  
His light is within us,  
His power so strong.  
Shine on, shine on.  
We're shining for ever.
