

The wind beneath my wings

It must have been cold there in my shadow,
To never have sunlight on your face
You were content to let me shine
You always waked a step behind

I was the one with all the glory
And you were the one with all the strength
Only a face without a name
But I never once heard you complain.

Did you ever know that you're my hero
And every thing I'd like to be
I can fly higher than an eagle
With you as the wind beneath my wings

It might have appeared to go unnoticed
That I've got I all right here in my heart
I want you to know
I know the truth
That I would been nothing without You.

Did you ever know that you're my hero
And every thing I'd like to be
I can fly higher than an eagle
With you as the wind beneath my wings
